# MEASURE D – Greater Accountability for Anaheim

## **Measure D is a Simple and Straightforward Measure:**

- ✓ Changes Anaheim Mayor term to two years
- ✓ Increases accountability by requiring the Mayor to face voters every two years
- ✓ Limits Mayor to eight years in office
- ✓ This is the same as every other City in Orange County with a Directly-Elected Mayor
- ✓ Allows voters to reaffirm a good Mayor or more quickly remove a bad Mayor
- ✓ Strengthens Anaheim's Term Limit Law
- ✓ Keeps Mayors focused on our priorities – keeping Anaheim safe, bringing jobs to our city, and improving neighborhoods

## **Measure D opponents have a dangerous agenda:**

- ✗ They want Anaheim to have a powerful, big-city Mayor like Los Angeles, Oakland, and San Francisco
- ✗ They think the Mayor's job is "Executing His Vision," not keeping Anaheim safe or balancing the budget
- ✗ They want Anaheim to be more like Los Angeles, which has higher crime, huge deficits, and little accountability
